Leather & Plasto Care

Cleaning and maintenance for plastics and leather

- Suitable for plastic surfaces, coated leather, rubber profiles and trims
- Gently removes soiling
- Restores the shine on the inside and outside of plastic parts
- Protects against fading and embrittlement
- Dust- and dirt-repellent
- Particularly environmentally aware and gentle composition
- Free from EDTA, NTA, phosphates and hydrocarbons

Application

Consult the manufacturer’s instructions for the materials in question and test for compatibility in an inconspicuous spot where required. Do not applicate on hot surfaces. Do not use on controls.

Wax and care:
Sparingly apply product to a dry cloth and polish the surface to be treated.

Note

Keep out of reach of children! No liability is accepted in case of incorrect and unprofessional use!

Ingredients (according to 648/2004/EC)

Maintenance substances, fragrances, preservatives (Sodium Pyrithione, Benzisothiazolinone).
pH value (concentrate): approx. 6.5
