RuginOff

Acid-free rust remover

- Acid-free formulation that protects the material
- Removes rust or metal residues, e.g. due to ferrous fertilisers or metal objects
- Colour indicator shows the onset of the reaction through a purple colouration of the cleaning solution

Area of application

Can be used on natural stone, artificial stone and ceramic floors, e.g. marble, Jura stone, granite, porphyry, gneiss, sandstone, agglomerate stone, terrazzo tiles, porcelain tiles, clinker, clay tiles, concrete and screed. Can be used indoors and outdoors. Can also be used to clean alloy rims.

Application

Please test on a small inconspicuous spot before first application. Clean surfaces before applying the product.

Rust removal:
Foam undiluted to the dirt and leave for a short while to take effect. Do not allow the product to dry. Scrub with a non-scratch cleaning pad if required. Remove the loose dirt and rinse with clean water. Repeat the process for stubborn stains. Consumption: 7.0 ml/m^2.

Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to (EU) 2019/771 Art. 2! For professional use only!

Ingredients (according to 648/2004/EC)

Anionic surfactants < 5%, complexing agents, water-soluble solvents, solubilizers, fragrances.
pH value (concentrate): approx. 7
