Iodex

Iodine stain remover

- Ready-to-use stain remover
- Removes stains resulting from the use of iodine-based disinfectants (skin disinfection), e.g. in operating theatres
- Protects the material

Area of application

Can be used on water-resistant surfaces, objects and floorings, as well as on floorings protected with a coating.

Application

Please test on a small inconspicuous spot before first application. For best results, treat the stain shortly after it appears.

Stain removal:
Spray the undiluted product on the affected surface, leave for a short while to take effect and then clean with a microfibre cloth or mop. Consumption: 4.0 ml/m².

Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to (EU) 2019/771 Art. 2! For professional use only!

Ingredients (according to 648/2004/EC)
