Pulitable

Multi-purpose plastic cleaner

- Ready-to-use spray cleaner
- High cleaning power
- Removes marks made by pencils, copying pencils, ink and felt markers, as well as label residues
- Pleasant fragrance during use
- Anti-static effect
- For general routine spray cleaning of surfaces, we recommend Tafit-eco or Profless Concentrate

Area of application

Can be used on solvent-resistant plastic and plastic-coated surfaces, stainless steel, aluminium, anodised aluminium etc. Not suitable for use on ABS plastic, e.g. special phone casings, some PC keyboards and LCD displays. Accidentally sprayed surfaces of this type should be wiped dry immediately with a cloth to avoid any material damage.

Application

Please test on a small inconspicuous spot before first application.

Routine cleaning (surface cleaning):
Use product undiluted. Apply product to a cloth, rub surfaces and wipe dry until no residue remains. Consumption: 2.0 ml/m^2.

Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Nonionic surfactants < 5%, water-soluble solvents, additives, fragrances.
pH value (concentrate): approx. 9.5
