Carp-Acryl

Carpet shampoo

- Active cleaning foam that is gentle on the fibres
- Forms vacuumable agglomerates composed of polymers and dirt particles
- Agglomerates do not stick to the carpet fibres (anti-soil effect)
- In case of excessive foam, remove foam with a wet vacuum cleaner or spray extraction machine

Area of application

Can be used on colourfast and moisture-resistant textile floor coverings.

Application

Please test on a small inconspicuous spot before first application. Vacuum the carpet thoroughly first.

Shampooing:
Depending on the degree of soiling, 1–1.5 L to 10 L of water.
Pour shampoo solution in the rotary floor machine solution tank. Run the machine over a napped rubber or PVC panel until foam appears. Then shampoo the carpet using circular movements. Fluff up carpet pile and do not walk on until fully dry. Consumption: 50.0 ml/m².

Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Anionic surfactants < 5%, polymer dispersions, fragrances, preservatives (Sodium Pyrithione, Benzisothiazolinone).
pH value (concentrate): approx. 8 pH value (ready-to-use solution): approx. 8
