Carp-Deta

Carpet stain remover

- Quick and easy removal of water- and solvent-soluble stains from textile floor coverings and upholstery

Area of application

Can be used on colourfast and moisture-resistant textile floor coverings and covers.

Application

Check that the carpet is colourfast on an inconspicuous area prior to use.

Stain removal:
Spray undiluted product on a cloth and rub the stain from the outside inwards. Then dab with absorbent paper or cloth. For stubborn stains, use spray extraction (hand adapter) on the area to be treated. Consumption: no indication possible.

Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Anionic surfactants < 5%, water-soluble solvents, fragrances.
