Clarida Care

Multi-purpose maintenance cleaner

- Leaves a protective maintenance film
- Protects the material
- No excessive build-up of coatings on the floor, as the maintenance substances are exchanged during cleaning
- Certified according to DIN 18032
- Slip resistance value between 0.4 and 0.6 µ
- Does not require CLP Regulation markings

PCR - post consumer recycled plastic

DIN 18032

Area of application

Can be used on water-resistant, hard and resilient floorings, e.g. PVC, linoleum, rubber, natural and artificial stone. Can also be used on coated floorings. Preferably used in areas with high walking and running safety requirements, e.g. in sports halls and retirement homes.

Application

Please test on a small inconspicuous spot before first application.

Routine cleaning (wiping):
0.2–1 % to cold water.

Routine cleaning (mechanical wet cleaning):
0.2–1 % to cold water.

Polishing:
Occasional polishing (approx. 1000 rpm) compacts the care components, removes scuff marks caused by traffic and increases durability.

Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Nonionic surfactants < 5%, water-soluble solvents, dyes, fragrances, preservatives (Phenoxyethanol).
pH value (concentrate): approx. 8 pH value (ready-to-use solution): approx. 7.5

Art. No.	Packaging unit (PU)	Numbers of PU per pallet
j690501	Carton of 6 x 1 L PCR bottles	84
j690510	10 L canister	60
j690572	200 L drum	2
